OUR THEME . . . *The Mass*

*"Accept, O Holy Father . . . this spotless host which I,
Thy unworthy servant, offer to Thee."*

With these words the priest offers the host to the Father.

*Although we are unworthy to perform such a
great act, we partake in it by offering ourselves, in the
form of our daily prayers, studies, and activities
on the paten with the host, in the hope that God will
accept it. In this way, we make the entire day a
continuation of the Mass, a continuous prayer.*

*It is our desire to show you, in the 1958 LA CROIX, how
this is being done daily, by the students of Saint Patrick.*

DEDICATION

Brother K. Gilbert, F.S.C.

During his nine years at Saint Patrick's, Brother Gilbert has been both teacher and Guidance Director. As Guidance Director, he arranges for marriage talks and the various testing programs. His present activities also include the moderatorship of the Mothers' Club.

Thinking back we see that our success was largely due to his willingness to work for the spiritual and material improvement of the student body.

To express our gratitude, we dedicate to you Brother Gilbert, the *La Croix* of 1958.

HIS EMINENCE

Samuel Cardinal Stritch

Since his arrival in Chicago, His Eminence has always been devoted to the development of a system of Catholic education that would be beneficial to the Archdiocese. He has shown this devotion particularly at Saint Patrick's by arranging for the construction of the "glass house and the round house" and, whenever possible, addressing the graduating class.

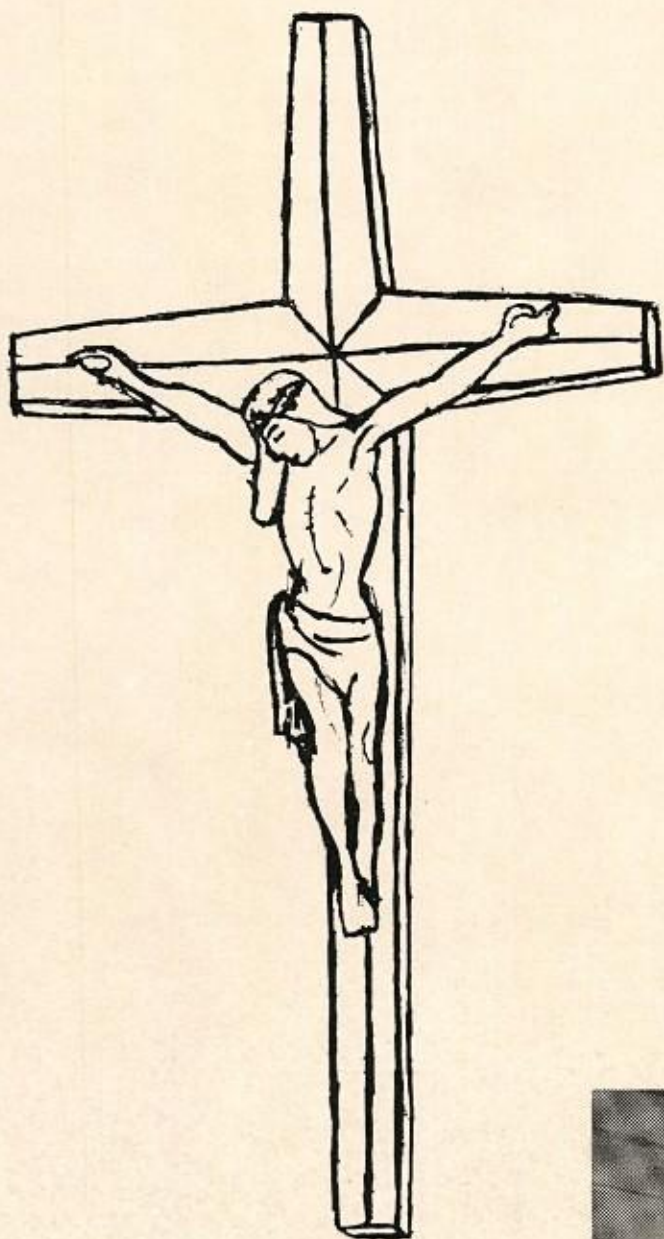

It is impossible to express our gratitude to His Eminence for what he has done, but we wish to thank him as sincerely as we can, and we ask also that God will continue to bless him in the new work to which he has been called.

The steady and untiring hands that direct the student to a better understanding of his purpose in the school can best be called the administration. It is through these hands that a young man learns the obligations of Christian morality and how to fulfill them, not only in his own regard but also with regard to others. This is done by the efforts of the administration in setting forth a program of religious and secular studies and by providing a wide range of co-curricular activities. Certainly it is true that the administration administers to the needs of every student.

On Calvary He gathered together the entire human race, including the Jews, and offered them to His Father with Himself. For the first time in the history of the world there came up to heaven a sacrifice that was worth anything to God: this was the chief difference between the sacrifices of the Old Testament and Calvary. Calvary was the sacrifice that counted with God. In fact, God accepted the sacrifices of the Jewish people only because of Christ. pirit." All His lifetime He had been offering Himself to His Father; everything He did He gave to His Father. Now He was completing the sacrifice. On Calvary He gathered together the entire human race, including Himself, and offered it to His Father with Himself. For the first time in the history of the world there came up to heaven a perfect sacrifice of God: this was the chief difference between the sacrifices of the Old Testament and Calvary. Calvary was a sacrifice counted with God. In fact, God accepted the sacrifices of Jewish people only because of Christ. The sacrifices of Christ were like so many checks dated "Jesus Christ," they were made good.

On Calvary Christ offered an infinite sacrifice of spiritual money in exchange for the sin of the world. He was counted. He made good all the sins of the world.

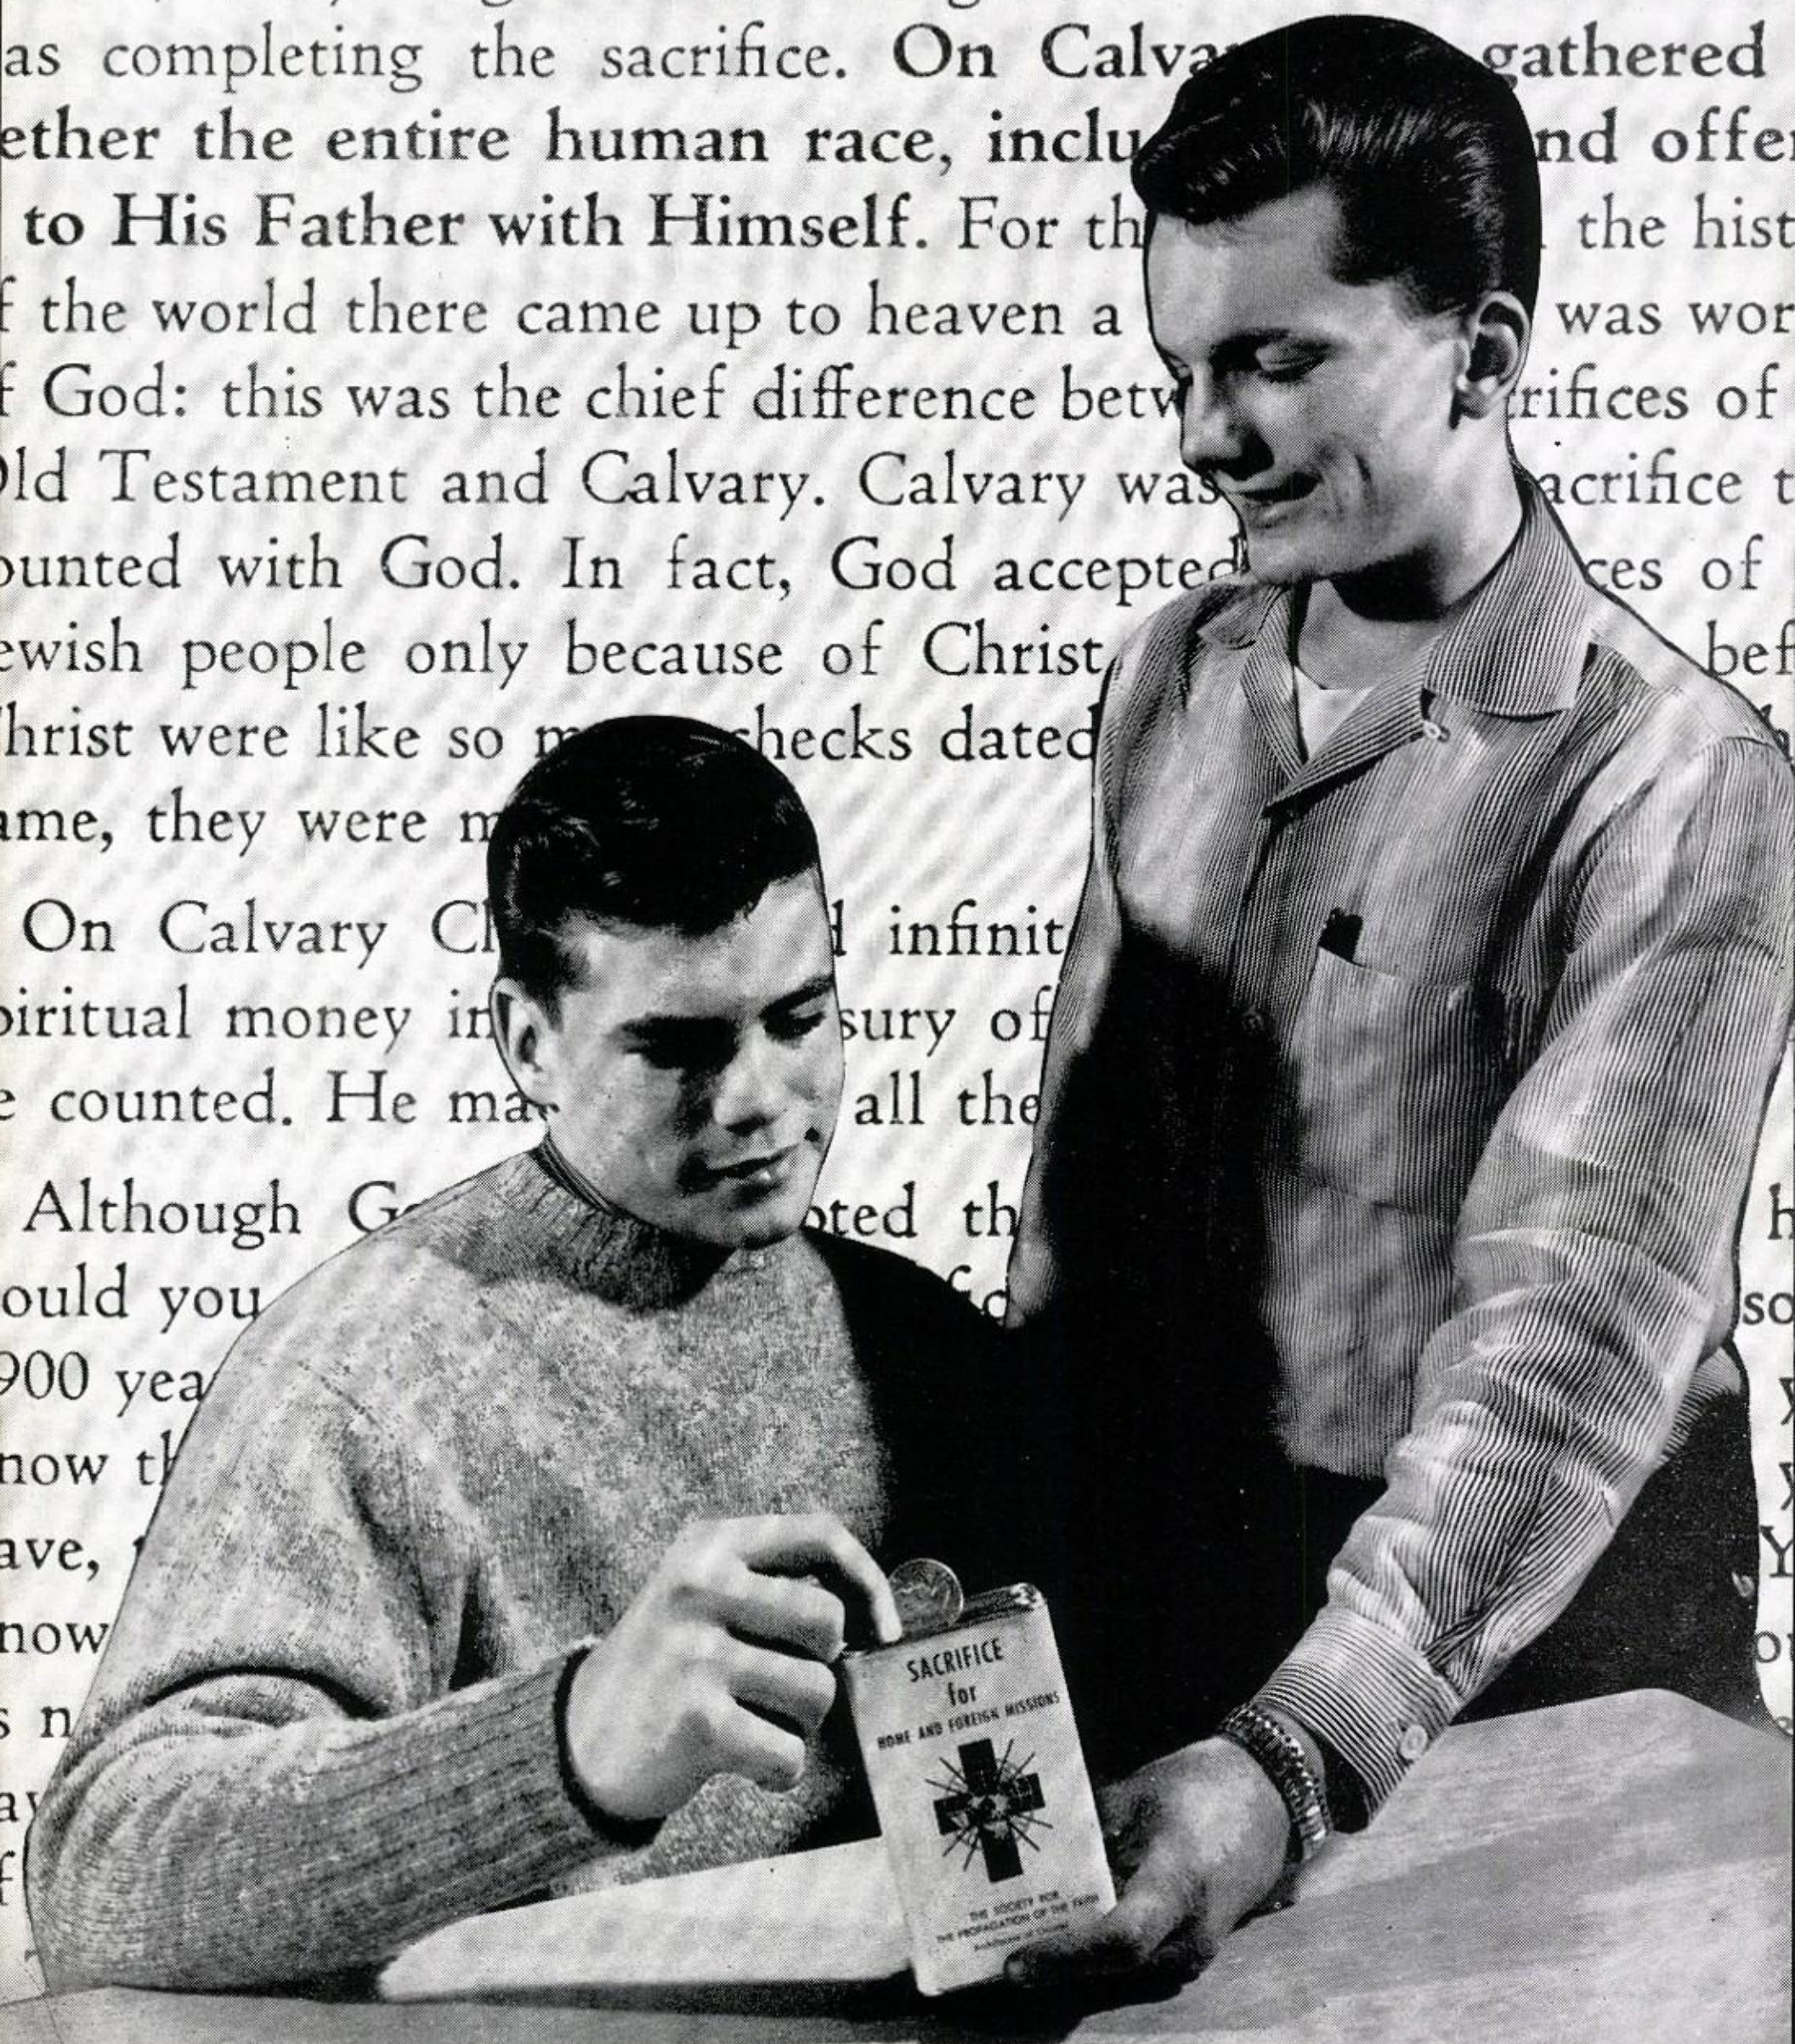

Although God has not yet accepted the sacrifice of the world, would you

CO-CURRICULARS

An important part of the offering of our day is our participation in co-curricular activities. Through these activities we have the opportunity to use any talents or abilities which we may possess, for the good of the school and the enjoyment of the student body. In these activities the student is required to use much of the knowledge acquired in the classroom.

RETREATS

Rt. Rev. Msgr. Raymond O'Brien,
Retreat Master for the Freshman
Retreat.

Rev. Fr. Gilbert Graham, O.P., Retreat
Master for the Sophomore-Junior
Retreat.

Yearly the students of Saint Patrick's spend four days in silence, prayer and spiritual reading. The purpose of these days is to enable the students to forget their ordinary cares and concentrate on their relationships with God. More often than not we become so involved in our daily pursuits that we forget our true purpose. Coming as they do in the early part of the year, the retreats serve to aid and correct our thinking.

Si miramos el mapa de España vemos que es España y Portugal forman la Península Ibérica.¹ España hablan español y los habitantes de Portugal Madrid es la capital de España y está en el centro, Barcelona, el centro industrial, y Valencia, la tercera ciudad en la costa del Mar Mediterráneo. Otras ciudades son Sevilla, Córdoba, Cádiz, Salamanca, Zaragoza y Barcelona. Las antiguas regiones de España se llama Castilla. Castilla es el nombre de los castillos² y de la lengua castellana³.

Ahora vamos a mirar otros países de la América. Hay nueve repúblicas en que hablan español: Venezuela en el norte del continente, en el Caribe, Colombia en el Océano Pacífico. Las otras son el Ecuador, el Perú y Chile. Argentina es un país muy rico y una ciudad moderna y muy hermosa. Bolivia es pequeña, su tierra es muy fértil y es muy moderna. Bolivia y Paraguay no tienen costa.

Hablan portugués en Brasil. Hablan español en toda América. Hay muchas diferencias entre los países. Es necesario estudiarlos. Si vamos a viajar de un país a otro.

México es un país muy grande. Entre México y la América del Sur hay una gran diferencia. México es un país muy grande. Entre México y la América del Sur hay una gran diferencia. México es un país muy grande. Entre México y la América del Sur hay una gran diferencia.

Spiritual reading at Plano.

The seniors no longer make their annual retreat here at Saint Patrick's. Since early November they have gone, class by class, to Plano, Illinois, where they spend three complete days in closed retreat.

Bill Mercurio, Bill Deering, Ron Szwiec, Mike Wittman, Tom Maize and Frank Madl at spiritual reading during the freshman retreat.

"I absolve you . . ."

NATIONAL HONOR SOCIETY

With the election of thirteen seniors and twelve juniors membership in the NHS was brought up to twenty-nine. Four of the present seniors were chosen in their junior year. Requirements for the election to the NHS are quite rigid and are based on scholarship, leadership, character, religion and service. Unless a student has these qualities combined, and in an outstanding degree, he loses his chance to become a member. These are the students who seem best to represent the ideal of the school.

BENILDUS CLUB

J. Dawson, *President*; T. Allen, *Vice-President*; R. Becker, *Secretary*; W. McHugh, *Treasurer*; Brother Dominic, *Moderator*.

"Send laborers . . ."

The Benildus Club, now in its second year, has been doing an immense amount of good for the members of the student body here at Saint Patrick's. In keeping with its purpose, the members pray daily for good vocations among the students in the school. Although the members pray for good vocations to the priesthood and religious life, they also pray for vocations in general.

GLEE CLUB

"They shall have music . . ." seems to be the promise of the members of the Saint Patrick Chorus. Although this was the first year in which we had had such a group, it has proved to us that it was well worth the waiting for. So far the Chorus has appeared in a Christmas Concert as well as the Spring Concert, as well as having taken part in other events.

PEP BAND

The Pep Band has limited its appearances this year to the occasions on which the Chorus has performed. However, it has been developing a sound and style which promises to bring many tuneful hours in the future.

DEBATE — W. McHugh, Vice-President; K. Feit, Secretary; G. Mozdierz, President.

Debate has become one of the most outstanding activities here at school. In the past, as at present, members of the various teams have distinguished themselves in the tournaments in which they have taken part. The present Senior team composed of Ken Feit, Bill McHugh, G. Mozdierz and Tim Ryan have taken first place in the University of Illinois, the Mundelein College, and the Loyola Invitational Tournaments.

Those members of the Sheen Club who are not in Debate are in the Oratory section. These members take part in the various other activities involved in Forensics. It too has been a winning organization.

CAMERA CLUB

Brother Henry has at last fulfilled a long-standing ambition, the formation of a Camera Club. The purpose of the Club is to show the students something of the thought and care which not only goes into the setting up and taking of pictures but also in the developing and printing of them. Composition, lighting, timing, developing and printing are all necessary for a good picture. In the near future the work of the members of this Club will be seen around school in the various publications.

Numismatics is a hobby which can become very engrossing, and here at school we have a group of boys who have become quite serious about it. Under the direction of Brother Quentin the members of the Club study the ancient coins as well as modern ones. The history of coins has been as interesting in many respects as the history of man. In order to make collections as complete as possible, auctions and trades are often made at the meetings.

This year's membership is limited only to freshmen and sophomores. Because of the limited membership, the members of the Club seem to be a close group and one which works well together for their own, and for each other's, benefit.

SOPH TEAM

The Sophomore team, coached by Mr. Beaupre, did not fare as well as the Varsity team but the experience gained in their games may prove to be very valuable to our future varsity teams. Their final record of the season was one win, four losses.

The freshman team had a poor season but, in spite of that, they gained a great deal of experience. Playing some very stiff competition, they had their best game when they played Holy Trinity, the only team which they defeated. Optimistic for the future, they feel that a poor beginning often brings a successful conclusion.

VARSITY BASKETBALL

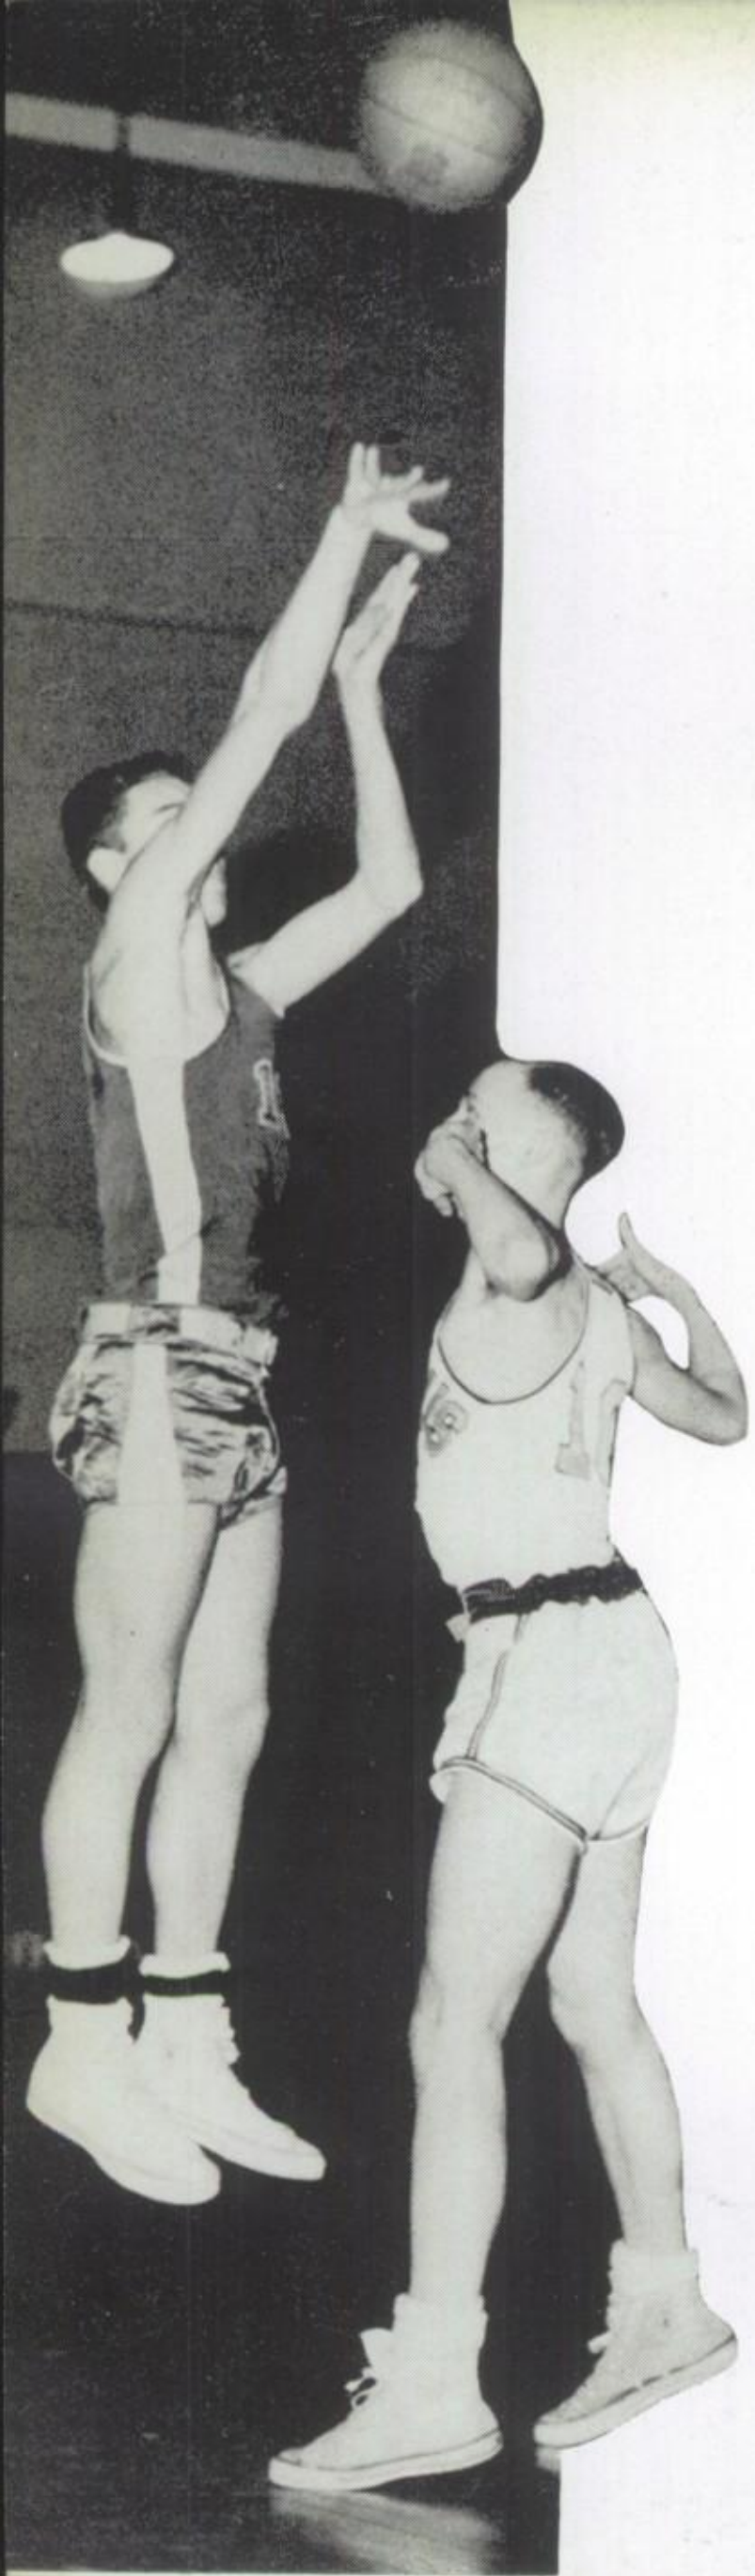

The past season showed a hot and cold St. Pat's Heavyweight team. After a very dismal practice season and a loss in the first game of the DePaul Tournament, the Shamrocks showed a sudden burst for the better by winning four out of the first five League games. At the end of the first round the team held first place in their Section. After the half-way point though, the team slacked off and lost the last five games. The season was ended with a record of 9 wins, 16 losses

Though all the members of the team work together, it seemed that the seniors, under Mr. Triptow's coaching, were responsible for the real spirit shown by the team. However next year's team, led by Bob Heldmann and Dennis Koslowski, promises us a brighter season.

LIGHTS

The Shamrock Lights ended their season with a sixteen-ten record. In pre-season games it looked like the team that would not be beaten but with the Fenwick Tournament that seemed to change. However, they made a come-back which brought them to a Section tie with St. Ignatius. It was the loss to the Wolves in the special play-off game which gave them the second place in the Central Section.

The Flys ended their season with a respectable record of eighteen wins and four losses. Teamwork and good coaching seem to be the reasons for their fine record. If in following years they can keep up the pace they've begun we can expect Section titles.

This year's Midgets, as last year's, have won their games consistently. Although many of their games have been played against parish teams, nevertheless they have proved their ability in games played against other schools.

These boys, too small at present to make one of the other teams, have the chance to become regulars on the teams later on. Their determination and teamwork show that they can be among our future stars.

TRACK TEAM

With their eyes turned toward the City championship, the track team has been practicing very hard for the past months. In their meets so far they have shown that they will be difficult to beat. Members of the senior team have the experience necessary to give them the determination and ability to win. So far this year the Relay team composed of Tom Spaletto, Jim Bush, Bob Shanewise, and junior John Maher, has won first place in both the AAU and DAILY NEWS Relays.

Brother Ronald has promised great things for the team and they have not let him nor the school down yet.

EDWARD JOSEPH ZIESERL

Determination to succeed in anything he has undertaken has always been the outstanding characteristic shown by Ed during his four years here at school. That he achieved this success is obvious from both his scholastic record and from the activities in which he has taken part such as the Chemistry Club,, Debate, Chorus, Track, *Green and Gold*, Swimming and the Art and Poster Club. Because of his fine record, he was one of the few members of his class to be elected to the National Honor Society in his Junior Year.

SALUTATORIAN

WILLIAM F. McHUGH

Bill, who entered from St. Ferdinand's, has proved himself in each of the things which he has attempted here at school. In the class room he has been outstanding for both his scholarship and friendliness. As to his service to the school there can be no doubt. The activities to which he has belonged are the Chemistry Club, the Catholic Interracial Council, the *Green and Gold*, the Benildus Club, the Chorus, and the Monogram Club. Debate and Oratory are two of the activities in which Bill has distinguished himself and brought honor to the school. Bill also was elected to the National Honor Society in his Junior year.

SALUTATORIAN

THOMAS R. SWOIK

"Pirate" entered St. Patrick's from Immaculate Conception. During his four years at school he has been conspicuous for the example he has set to the members of his class as a student. We hope that while he is striving to fulfill his ambitions he meets with the success he has already achieved.

CO-CURRICULARS

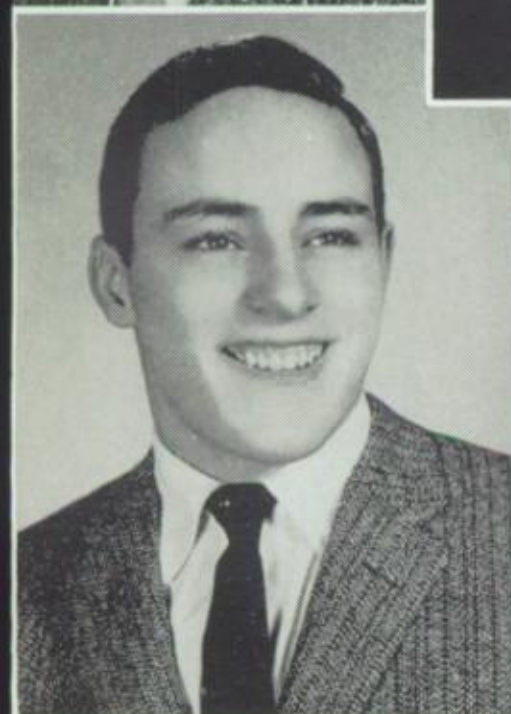

An important part of the offering of our day is our participation in co-curricular activities. Through these activities we have the opportunity to use any talents or abilities which we may possess, for the good of the school and the enjoyment of the student body. In these activities the student is required to use much of the knowledge acquired in the classroom.

SOCIAL

The offering of our day includes our pleasures as well as our work. This is realized through the program of social activities planned by the school: skating parties, picnics, dances, and the biggest event in the seniors' year, the prom. These events help vary the daily school routine, and more important, round out the students' education.

RETREATS

Rt. Rev. Msgr. Raymond O'Brien,
Retreat Master for the Freshman
Retreat.

Rev. Fr. Gilbert Graham, O.P., Retreat
Master for the Sophomore-Junior
Retreat.

Yearly the students of Saint Patrick's spend four days in silence, prayer and spiritual reading. The purpose of these days is to enable the students to forget their ordinary cares and concentrate on their relationships with God. More often than not we become so involved in our daily pursuits that we forget our true purpose. Coming as they do in the early part of the year, the retreats serve to aid and correct our thinking.

CHRISTMAS DANCE

Each year before Christmas, the gym takes on an entirely new aspect. The sound of bouncing balls, pounding feet, and shouting is replaced by soft music, shuffling feet and the sound of the boys and their dates having a good time. Under the direction of Brother Jordan David, the Seniors worked unselfishly to transform the gym into a veritable dreamland of Snow and Stars.

Christmas trees, snowslides, snow-men and colored lights reflecting off of the silver stars furnished the perfect atmosphere. When the music of Don Falls was added to this, the evening was changed from ordinary to extraordinary, from a dream to a dream come true.

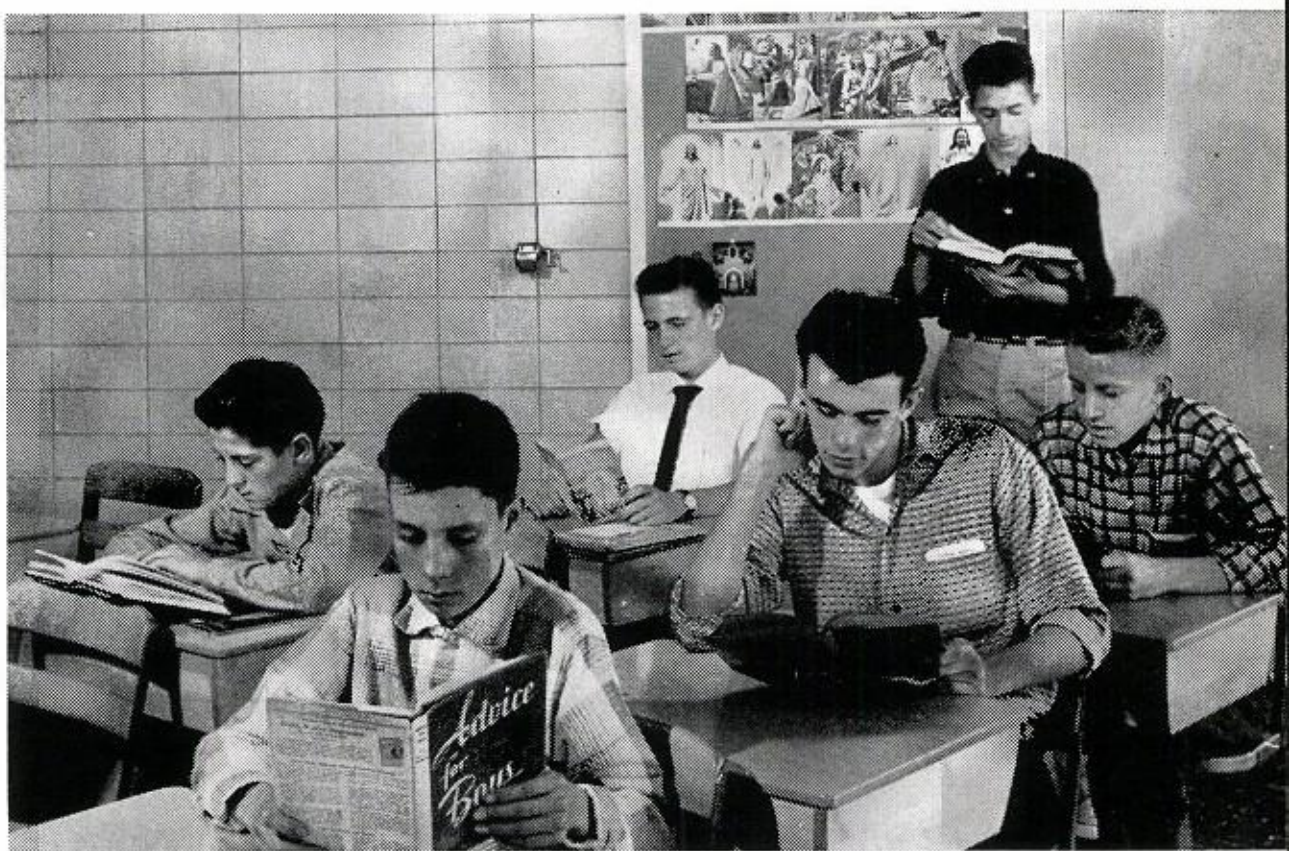

The glow of a christmas tree and of happy faces means Christmas.

Spiritual reading at Plano.

The seniors no longer make their annual retreat here at Saint Patrick's. Since early November they have gone, class by class, to Plano, Illinois, where they spend three complete days in closed retreat.

Bill Mercurio, Bill Deering, Ron Szwiec, Mike Wittman, Tom Maize and Frank Madl at spiritual reading during the freshman retreat.

"I absolve you . . ."

AT LEFT

Jim Bush and Ed Zych, together with their dates, are greeted by Brother Joseph. Don McAuliffe and John Mulvihill seem to have lost the attention of their partners.

Mark Mass and Angie Stella are all set for a good time.

Norb Rump and Bob Yetter look on as the girls finally "do it themselves".

Bob Wosneski, Tom Spaletto, Tim Nolan and their dates admiring the decorations.

Pat Connell and Dick Oldenburg, ... tripping the light fantastic.

Bob Kindness, and John O'Connor ... checking coats.

Bob Olson and his date are enjoying the soft music.

Stan Stack and Dick Sikorski looking the crowd over.

Don Falls and his band in part of a winter wonderland.

CHRISTMAS DANCE

Frank Guarino and Dan Kelly and dates comment on the music.

Members of the Mothers' Club together with their husbands act as the chaperons during the dance.

NATIONAL HONOR SOCIETY

With the election of thirteen seniors and twelve juniors membership in the NHS was brought up to twenty-nine. Four of the present seniors were chosen in their junior year. Requirements for the election to the NHS are quite rigid and are based on scholarship, leadership, character, religion and service. Unless a student has these qualities combined, and in an outstanding degree, he loses his chance to become a member. These are the students who seem best to represent the ideal of the school.

RING DANCE

The Second Annual Jr. Ring Dance took place on Friday evening, April 11. The highlight of the evening was the ring blessing ceremony, conducted by Father White of St. Celestines parish. Father reminded the young men of the significance of their rings now and in the future. This inspiring ceremony, along with the enjoyable evening and wonderful music of the Stardusters, will be remembered by all those present.

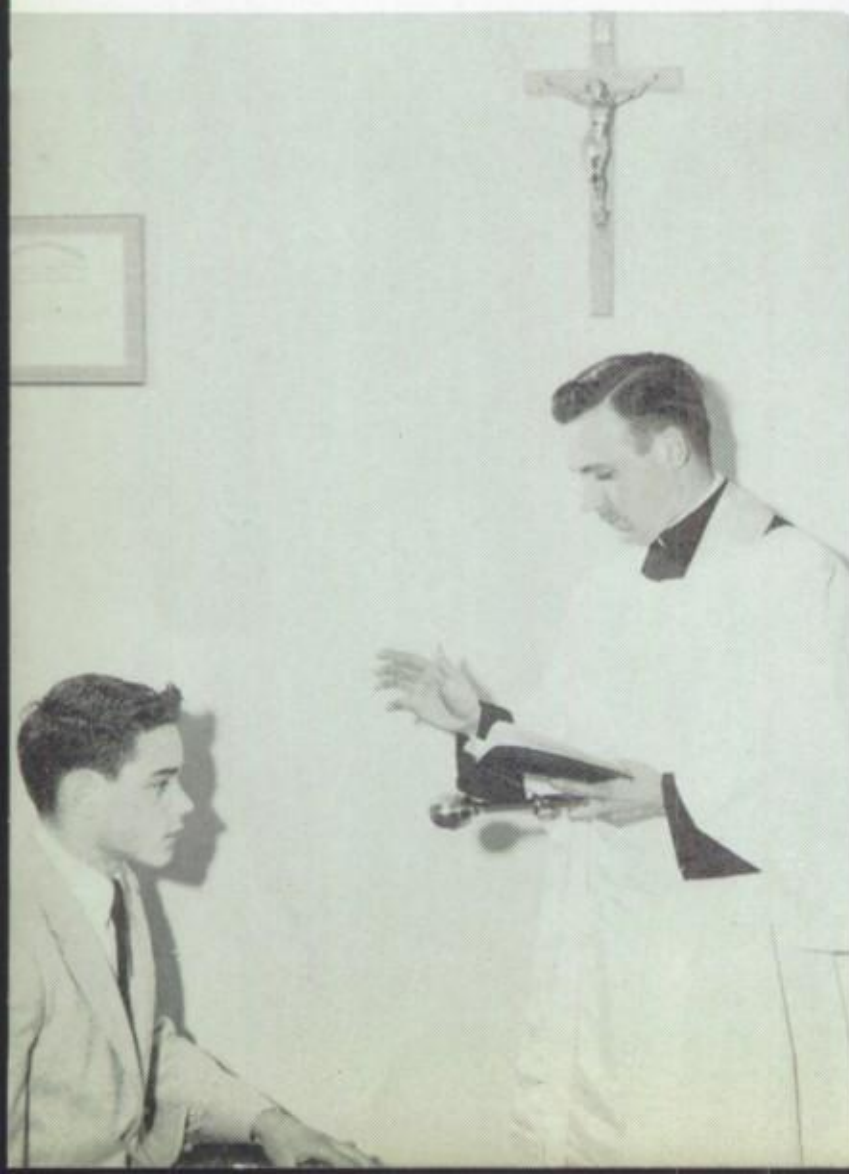

The crowd always enjoys the Bunny-Hop.

MOTHER'S CLUB

Under the guidance of Brother Gilbert, the Mothers' Club has again had a very successful year. Among the highlights of the Club's numerous activities were the Italian Fiesta Dinner, the Second Annual Family Fun Day, a Fashion and Talent Show, the St. Mary's College Glee Club and Band, and finally, the Dinner Dance. Each of these was successful.

On behalf of the Brothers and the students, we wish to express our thanks to the Mothers' Club for these events and also for the fact that we were not forgotten when they were being planned.

"Softer, please"

The waitresses were busy.

"How many?"

BENILDUS CLUB

J. Dawson, *President*; T. Allen, *Vice-President*; R. Becker, *Secretary*; W. McHugh, *Treasurer*; Brother Dominic, *Moderator*.

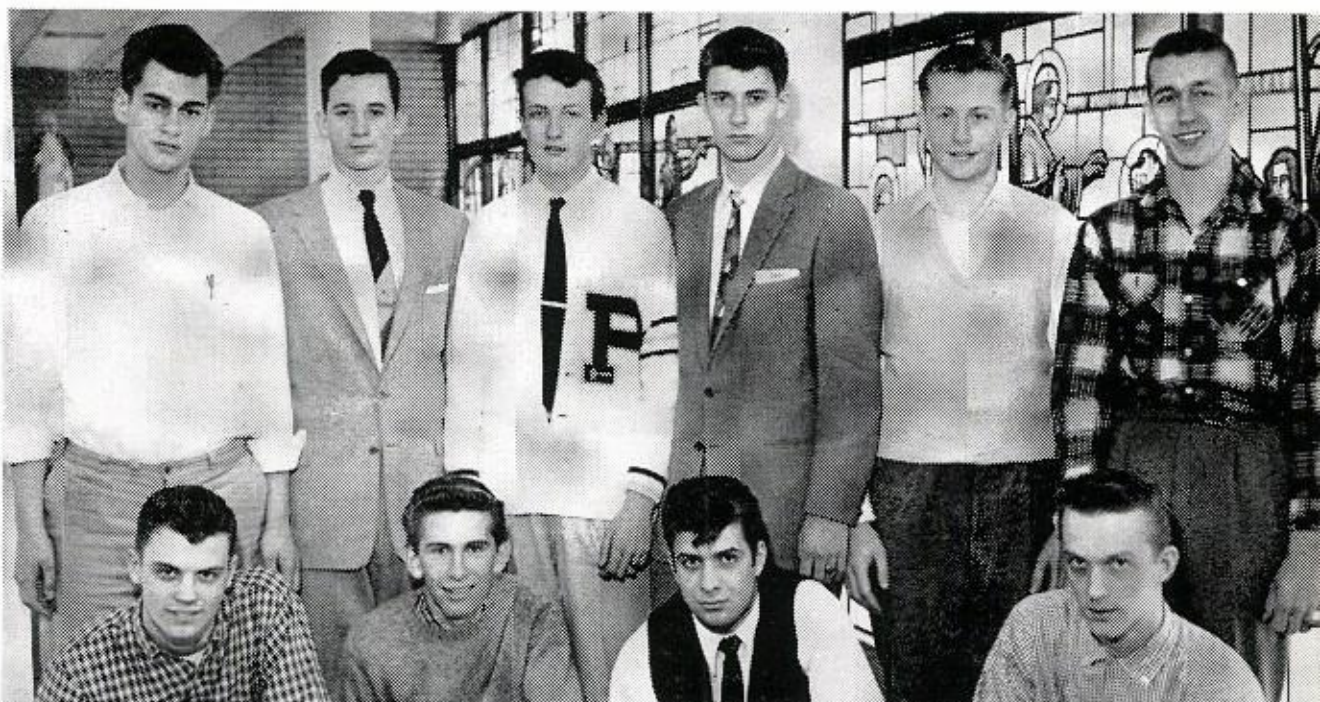

"Send laborers . . ."

The Benildus Club, now in its second year, has been doing an immense amount of good for the members of the student body here at Saint Patrick's. In keeping with its purpose, the members pray daily for good vocations among the students in the school. Although the members pray for good vocations to the priesthood and religious life, they also pray for vocations in general.

Tam O'Shanter Country Club

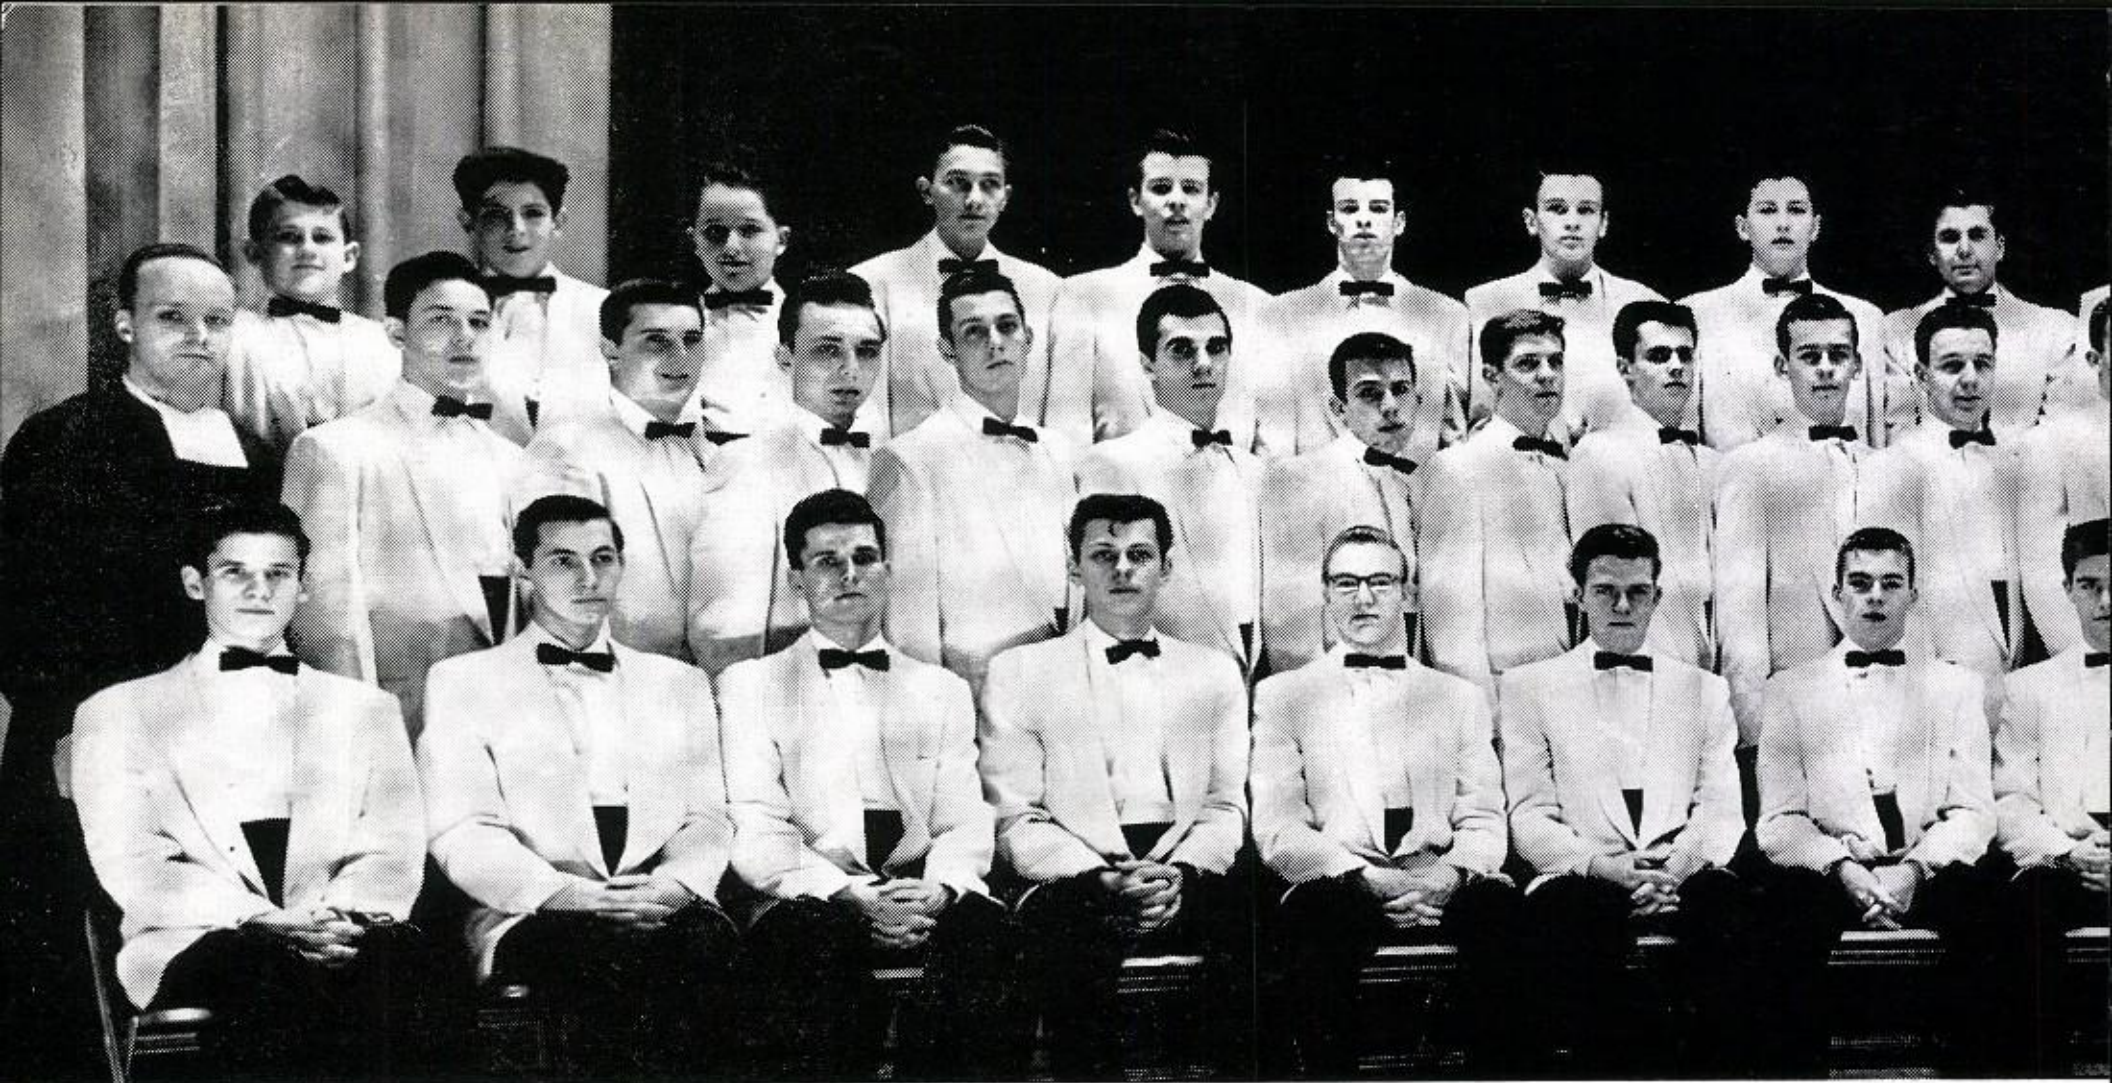

ORCHESTRA

Johnny Gilbert and Jim Willow

Tam O'Shanter Country Club, under the setting of a warm May sky, studded with millions of twinkling stars, and the music of Johnny Gilbert and Jim Williwow with their bands, all combined into one night made the eagerly anticipated evening *Unforgettable*.

Ending the evening with a late dinner, after leaving Tam, and maybe a few more dances, the couples left the long awaited event to become a part of their past, but they shall live forever with pleasant memories.

GLEE CLUB

"They shall have music . . ." seems to be the promise of the members of the Saint Patrick Chorus. Although this was the first year in which we had had such a group, it has proved to us that it was well worth the waiting for. So far the Chorus has appeared in a Christmas Concert as well as the Spring Concert, as well as having taken part in other events.

PEP BAND

The Pep Band has limited its appearances this year to the occasions on which the Chorus has performed. However, it has been developing a sound and style which promises to bring many tuneful hours in the future.

Front row: K. Feit, R. Klimmer, T. Berkenkotter, R. Pana.
Second row: H. Clark, A. Janke, G. Mozdierz, B. Moffatt, W. Chidester, J. Hall.

CAN YOU IMAGINE...

Tom Challos without a wisecrack?
Brother Philip using a formula to solve a problem?
Pete Cazzato taking books home?
Brother Edwin performing a physics demonstration that worked properly?
Charles Koch starting a crusade *against* betting on the horses?
Gary Mikol walking someplace?
a rumor that wasn't started by Ron Anderson?
anything foggier than the inside of Lynde's between 8:00 and 8:40 A.M.?
Brother Cyprian going into teaching physics or chemistry?
having a Sock-Hop?
Mike Josephowicz not starting a pool on the games?
a class more orderly and quiet than ours?
Tim Nolan in to start a football game because of his own merits?
seeing Ken Feit when he isn't talking?
another year like freshman year?
happier times than the past four years?

OPERATORS

The Operators have proved their worth to the teachers by the willingness to learn the operations of the various Audio-Visual aids around the school. Theirs is the responsibility of making use of this equipment when the necessity arises in class.

CHELIFERS

The Library has been aided greatly in the past year by the help of a group of students who have been willing to give up their free time to help the student body. Not only is their help appreciated, they are also doing themselves a service by familiarizing themselves with the working of the library.

SHEEN CLUB

DEBATE — W. McHugh, *Vice-President*; K. Feit, *Secretary*; G. Mozdierz, *President*.

Debate has become one of the most outstanding activities here at school. In the past, as at present, members of the various teams have distinguished themselves in the tournaments in which they have taken part. The present Senior team composed of Ken Feit, Bill McHugh, G. Mozdierz and Tim Ryan have taken first place in the University of Illinois, the Mundelein College, and the Loyola Invitational Tournaments.

Those members of the Sheen Club who are not in Debate are in the Oratory section. These members take part in the various other activities involved in Forensics. It too has been a winning organization.

A recently revived organization is the Monogram Club. Only students having earned a major letter in any of the various activities around the school are eligible for membership. By being seen at the various activities and events at school and wearing their letters, students participation in co-curriculars is encouraged.

CAMERA CLUB

Brother Henry has at last fulfilled a long-standing ambition, the formation of a Camera Club. The purpose of the Club is to show the students something of the thought and care which not only goes into the setting up and taking of pictures but also in the developing and printing of them. Composition, lighting, timing, developing and printing are all necessary for a good picture. In the near future the work of the members of this Club will be seen around school in the various publications.

Numismatics is a hobby which can become very engrossing, and here at school we have a group of boys who have become quite serious about it. Under the direction of Brother Quentin the members of the Club study the ancient coins as well as modern ones. The history of coins has been as interesting in many respects as the history of man. In order to make collections as complete as possible, auctions and trades are often made at the meetings.

This year's membership is limited only to freshmen and sophomores. Because of the limited membership, the members of the Club seem to be a close group and one which works well together for their own, and for each other's, benefit.

In its first efforts at reorganization the Dramatics Club has presented for the student body a fine production of John Patrick's, *The Hasty Heart*. In the Loyola Play Festival the members of the Club presented the one-act play, *Appointment at High Noon*. With these productions, we have been led to expect even finer presentations in the future.

Something new appeared in the 1957-58 issues of the *Green and Gold*. In order to bring more news and to bring it more frequently, the members of the staff issued a four page paper once each month. In the past the paper was issued every six weeks. The students are appreciative of the work of the staff to bring them news of the persons, places and activities by whom they are represented.

LA CROIX

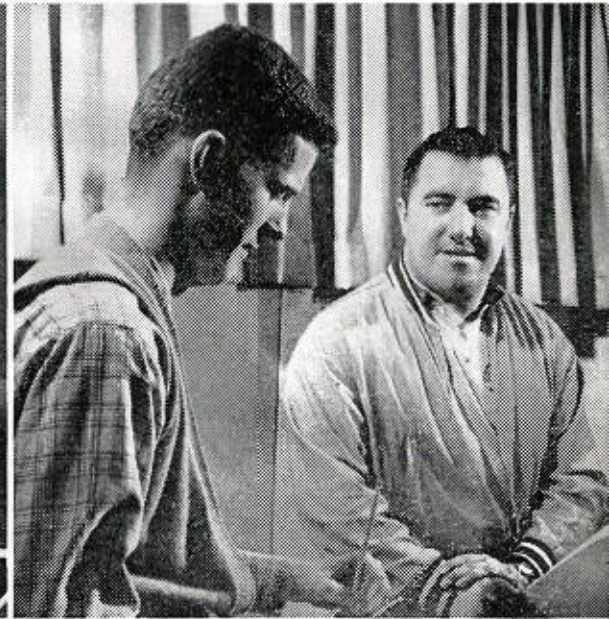

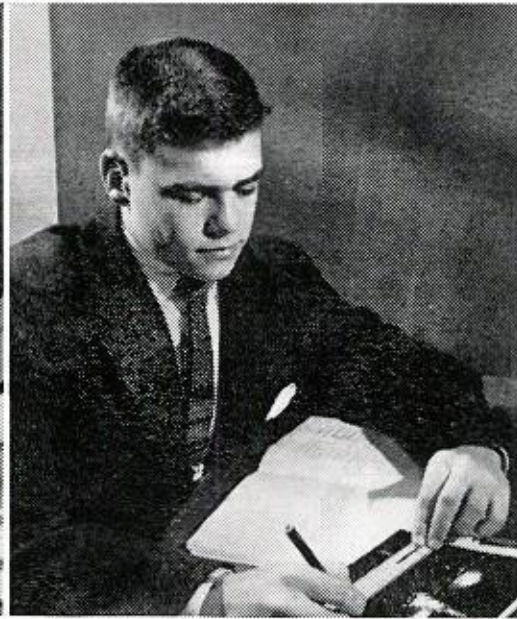

La Croix, The Cross, has given its name to the yearbook. Each year a small group of seniors, this year with the help of a junior and sophomore, presents the school as complete a picture of the closing school year as possible. It is always the hope of the staff that the book will serve as a reminder of the various persons and events which have played so important a part in their school life.

ATHLETICS

Cries such as, "We gotta win . . . Let's go" . . . Hold that line" . . . "Take it away", take on an almost prayer-like quality during the course of a game. The game itself, the victories and defeats, the time spent by the players and coaches in practice, are all a part of the offering of ourselves in our daily Mass.

"Drive on Green and Gold for Victory..."

The 57 football season brought encouragement to the students of Saint Patrick's. Mr. Dempsey in his first year as head coach guided the team to its most successful year since our return to the Catholic League in 1954. The team's record was four wins against four loses. Although the team's record was not all wins, nevertheless several members were given honors by both the city newspapers and the Catholic paper.

The freshman team had a poor season but, in spite of that, they gained a great deal of experience. Playing some very stiff competition, they had their best game when they played Holy Trinity, the only team which they defeated. Optimistic for the future, they feel that a poor beginning often brings a successful conclusion.

VARSITY BASKETBALL

The past season showed a hot and cold St. Pat's Heavyweight team. After a very dismal practice season and a loss in the first game of the DePaul Tournament, the Shamrocks showed a sudden burst for the better by winning four out of the first five League games. At the end of the first round the team held first place in their Section. After the half-way point though, the team slacked off and lost the last five games. The season was ended with a record of 9 wins, 16 losses

Though all the members of the team work together, it seemed that the seniors, under Mr. Triptow's coaching, were responsible for the real spirit shown by the team. However next year's team, led by Bob Heldmann and Dennis Koslowski, promises us a brighter season.

LIGHTS

The Shamrock Lights ended their season with a sixteen-ten record. In pre-season games it looked like the team that would not be beaten but with the Fenwick Tournament that seemed to change. However, they made a come-back which brought them to a Section tie with St. Ignatius. It was the loss to the Wolves in the special play-off game which gave them the second place in the Central Section.

TRACK TEAM

With their eyes turned toward the City championship, the track team has been practicing very hard for the past months. In their meets so far they have shown that they will be difficult to beat. Members of the senior team have the experience necessary to give them the determination and ability to win. So far this year the Relay team composed of Tom Spaletto, Jim Bush, Bob Shanewise, and junior John Maher, has won first place in both the AAU and DAILY NEWS Relays.

Brother Ronald has promised great things for the team and they have not let him nor the school down yet.

GRADUATES

We are at the end of our high school career, but the
 commencement exercises are a beginnig rather than an
 ending. Through our school years we have offered
 ourselves daily and now we are about to make a new offering,
 that of our entire future, with all our hopes and ambitions.
 This is done for us by the priest as he raises the paten at the
 Offertory of the Graduation Mass.
 We the Senior Clas of 1958, would like to express our gratitude
 to the faculty for the patient guidance given us in leading us
 on to our goal, and to extend to the seniors of years to come
 our sincere wish that they too may realize their ambitions.

VALEDICTORIAN

EDWARD JOSEPH ZIESERL

Determination to succeed in anything he has undertaken has always been the outstanding characteristic shown by Ed during his four years here at school. That he achieved this success is obvious from both his scholastic record and from the activities in which he has taken part such as the Chemistry Club,, Debate, Chorus, Track, *Green and Gold*, Swimming and the Art and Poster Club. Because of his fine record, he was one of the few members of his class to be elected to the National Honor Society in his Junior Year.

SALUTATORIAN

WILLIAM F. McHUGH

Bill, who entered from St. Ferdinand's, has proved himself in each of the things which he has attempted here at school. In the class room he has been outstanding for both his scholarship and friendliness. As to his service to the school there can be no doubt. The activities to which he has belonged are the Chemistry Club, the Catholic Interracial Council, the *Green and Gold*, the Benildus Club, the Chorus, and the Monogram Club. Debate and Oratory are two of the activities in which Bill has distinguished himself and brought honor to the school.

Bill also was elected to the National Honor Society in his Junior year.

SALUTATORIAN

THOMAS R. SWOIK

"Pirate" entered St. Patrick's from Immaculate Conception. During his four years at school he has been conspicuous for the example he has set to the members of his class as a student. We hope that while he is striving to fulfill his ambitions he meets with the success he has already achieved.

SOCIAL

The offering of our day includes our pleasures as well as our work. This is realized through the program of social activities planned by the school: skating parties, picnics, dances, and the biggest event in the seniors' year, the prom. These events help vary the daily school routine, and more important, round out the students' education.

CHRISTMAS DANCE

Each year before Christmas, the gym takes on an entirely new aspect. The sound of bouncing balls, pounding feet, and shouting is replaced by soft music, shuffling feet and the sound of the boys and their dates having a good time. Under the direction of Brother Jordan David, the Seniors worked unselfishly to transform the gym into a veritable dreamland of Snow and Stars.

Christmas trees, snowslides, snow-men and colored lights reflecting off of the silver stars furnished the perfect atmosphere. When the music of Don Falls was added to this, the evening was changed from ordinary to extraordinary, from a dream to a dream come true.

The glow of a christmas tree and of happy faces means Christmas.

RING DANCE

The Second Annual Jr. Ring Dance took place on Friday evening, April 11. The highlight of the evening was the ring blessing ceremony, conducted by Father White of St. Celestines parish. Father reminded the young men of the significance of their rings now and in the future. This inspiring ceremony, along with the enjoyable evening and wonderful music of the Stardusters, will be remembered by all those present.

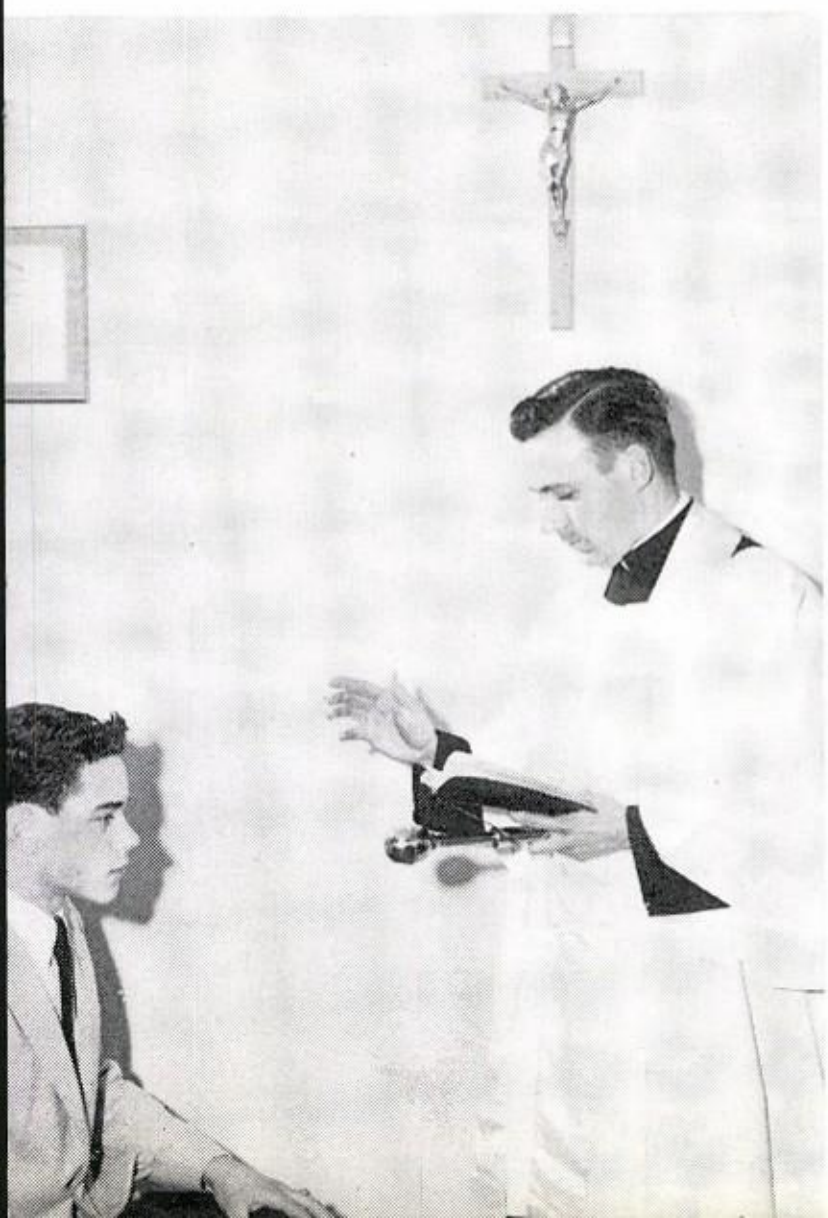

The crowd always enjoys the Bunny-Hop.

MOTHER'S CLUB

Under the guidance of Brother Gilbert, the Mothers' Club has again had a very successful year. Among the highlights of the Club's numerous activities were the Italian Fiesta Dinner, the Second Annual Family Fun Day, a Fashion and Talent Show, the St. Mary's College Glee Club and Band, and finally, the Dinner Dance. Each of these was successful.

On behalf of the Brothers and the students, we wish to express our thanks to the Mothers' Club for these events and also for the fact that we were not forgotten when they were being planned.

"Softer, please"

ORCHESTRA

Johnny Gilbert and Jim Willow

Tam O'Shanter Country Club, under the setting of a warm May sky, studded with millions of twinkling stars, and the music of Johnny Gilbert and Jim Williwow with their bands, all combined into one night made the eagerly anticipated evening *Unforgettable*.

Ending the evening with a late dinner, after leaving Tam, and maybe a few more dances, the couples left the long awaited event to become a part of their past, but they shall live forever with pleasant memories.

CAN YOU IMAGINE...

Tom Challos without a wisecrack?
 Brother Philip using a formula to solve a problem?
 Pete Cazzato taking books home?
 Brother Edwin performing a physics demonstration that worked properly?
 Charles Koch starting a crusade against betting on the horses?
 Gary Mikol walking someplace?
 a rumor that wasn't started by Ron Anderson?
 anything foggier than the inside of Lynde's between 8:00 and 8:40 A.M.?
 Brother Cyprian going into teaching physics or chemistry?
 having a Sock-Hop?
 Mike Josephowicz not starting a pool on the games?
 a class more orderly and quiet than ours?
 Tim Nolan in to start a football game because of his own merits?
 seeing Ken Feit when he isn't talking?
 another year like freshman year?
 happier times than the past four years?
